GacoFlex™ elastomeric roof and deck coatings are easily applied by spray, roller or trowel and will provide lasting surface protection and waterproofing. Products are available in the stock colors shown and can be ordered in special colors for an additional charge.

Colors vary somewhat from one product line to another due to different polymers used. Because colors and availability may change without notice, please confirm availability with your local Gaco Western representative.

GacoFlex™ products are available in the following colors:

01 Oyster

16 Shale

02 Pewter

18 Adobe
